## Counting with Creatures

text: Monika Wróbel – Lutz  
illustrations: Kasia Fryza  
18 x 18 cm / BOARDBOOK  
24 pages  
age group: +1  
2023

*„One dog with bad news: four paws, but just two shoes.  
Two foxes in the hall: one is big, the other small.  
Three friendly cockroach fellas: two got wet, one brought an umbrella.”*

With bright colors and absurd sense of humor this journey will be fun for both: parent and child. Try to count all the creatures and not to laugh!

First in the series of boardbooks for little ones. More creatures with lots of cuddling, colors and laugh coming soon.

There are so many occasions to celebrate in Japan, and each celebration requires preparation and knowledge of the traditions behind it. You can celebrate New Year, Spring, or Mother's Day. But there is also a festival of nakedness or... swearing. You will learn about the traditional foods, costumes, and customs of the Land of the Cherry Blossom. In addition to the illustrations there are short stories explaining traditions and describing each holiday. Characters like the Crane, Little Ghost or a Taxidriver will guide you through the entire year of celebrations.
